EXT. CAMPUS - DAY

Pastoral shots of happy, laughing female students walking across a lush, picturesque campus. MONTAGE of pretty, fresh-scrubbed, girl-next-door coeds.

NARRATOR

(deep, ominous voice)

Innocent smiles belie the dark, sinister, amoral natures of these wayward, wanton femme fatales. No man can fathom the betrayals casually executed by these perverse creatures.

INSERT ECU of computer screen showing the narration being typed.

NARRATOR

(cont.)

No man is safe from the predatory nature of these vixens.

RALPH wakes up from a nap to hear his roommate AARON continue reading his narration out loud, but now the audience hears the VO in AARON's own, considerably less masculine voice. At first RALPH is disoriented.

AARON

(voice over)

And the ring-leader of this tribe of cruel, merciless heart breakers was none other than Cindy "The Slut" Simpkins.

RALPH finally realizes what he is hearing.

ANGLE ON wide shot of dorm room to reveal AARON hunched over his laptop, working himself up into an emotional frenzy.

RALPH

Dude! Give it a rest. You aren't the first guy who was ever dumped by his girlfriend. Don't go psycho on me.

AARON stops his typing and looks at RALPH, who seems pleased that he has talked some sense into his roommate. After a beat, AARON resumes typing.

AARON

Cindy the Slut knew no shame.
